4. Posting and Award of Bid Lines – Lines of flying may be published for bid in 28-day bid units, a bid cycle consisting of two 28-day bid units, or in other bid periods as the needs of the service require and as determined by the Company. A Flight Attendant who works a trip received from another Flight Attendant in a one-way trade shall not receive premium pay intended to compensate a Flight Attendant for working on a Scheduled Day Off. A Flight Attendant may accept a one-way trade involving a period when she/he is on reserve only if released by the Company from the Reserve Duty.
 - e. Approval Standards- The following trade requests shall not be approved:

 - b. A Flight Attendant may request to deviate from a tail-end commercial Deadhead flight where the cost of the requested deviation flight and any additional fees associated with the deviation (e.g. change fee, cancellation fee, ground transportation) is equal to or less than the schedule Deadhead flight. The written notification of the deviation request must be received by the Scheduling Department no less than three (3) days in advance of the scheduled Deadhead commercial flight. If the requested deviation causes the Flight Attendant to be in travel status on a Scheduled Day Off when the original Deadhead commercial flight would not, the Flight Attendant shall not be entitled to a returned day off. Permission to deviate from a tail-end Deadhead in all other circumstances will be awarded

at Company discretion and will not be unreasonably denied. Requests made less than three (3) days in advance will be considered and granted at Company discretion.

- c. Flight Attendants will provide the company their frequent flyer numbers issued by various commercial carriers to facilitate the booking of commercial Deadhead flights, including issuance of seat assignments, and ascertaining the appropriate checked baggage fee.

2. A Lineholder may not be junior assigned to be an on call reserve.
3. Flight Attendants will be junior assigned in inverse seniority order, starting with the most junior legal and available Flight Attendant.

Deductions of membership dues/service charge shall be made monthly provided there is a balance in the paycheck sufficient to cover the amount after all other deductions authorized by the Flight Attendant or required by law have been satisfied. In the event of termination of employment, the obligation of the Company to collect dues shall not extend beyond the monthly period in which her/his last day of work occurs, provided the amount earned is sufficient to allow for such deduction after all obligations to the Company have been satisfied.

ASSIGNMENT AND AUTHORIZATION FOR VOLUNTARY CHECK-OFF OF DUES**

TO:

I, _____ hereby authorize ATI to deduct from my earnings once each month the standard monthly membership dues, assessments required by the Association of Flight Attendants Dues (or such standard monthly membership dues as may hereafter be established by the Union), service charges, initiation fees, and assessments. Such amount so deducted is hereby assigned to the Union, subject to all of the terms and conditions of the Railway Labor Act, as amended, and the provisions of the applicable collective bargaining Agreement. This Agreement and authorization may be revoked by me in writing after the expiration of one (1) year from the date hereof, or upon the termination date of the Agreement in effect at the time this is signed, whichever occurs sooner. A copy of such revocation will be sent to the President of the Local Executive Council.

Separate and apart from all deductions for initiation fees and dues referenced herein, I also direct the Company to deduct from the second paycheck of each month an additional amount, equal to one month's dues, for the purpose of satisfying any current or future dues arrears obligation and to pay such amount directly to the designated officer of the Union. Such arrears deduction shall continue until the entire dues arrearage is satisfied.
